### State Restrictions:

Texas - Will have to pass due to the recent laws coming out in Texas. This is now a restricted industry for us until there is clarity on how to proceed.

We specialize in providing merchant cash advances ranging from \$10k - \$5MM, factor rates ranging from 1.399 - 1.499. We offer daily & weekly repayment options, with terms going out to as long as 7-8 months. Credit score is not a primary consideration when evaluating files, as long as the merchant proves to have had a positive pay history with either current or past positions. We're committed to providing fast, flexible, and transparent funding solutions, please do not hesitate to contact us to discuss a potential deal. Thank you for your partnership, we look forward to achieving tremendous success funding together!

### Quick refresher:

We like the bigger files, with payment history. Love Doctors, Auto Repair, Retail, Accounting, Large construction. Love deals with strong AR, as well as deals that were recently approved for a long term and are in need of some additional capital.

Our priority is speed and competition on deals in our space. My line of communication is always open and I will give quick responses yes or no if you need something done.
