ISO GUIDELINES

BUSINESS FINANCING FOR THE MODERN WORLD

WELCOME TO

VELOCITY CAPITAL GROUP

DATA DRIVEN REVENUE BASED FINANCING

Since 2018, we empowered businesses & ISOs by providing fast, reliable, and efficient funding solutions. We have continuously enhanced our technology to streamline our funding platform, significantly reducing the time required to approve and disburse funds. Today, our clients can receive funding within just a few hours, to seize opportunities and build more momentum for their business.

Partnering with VCG as an ISO

Same-Day Funding and Same-Day Commissions are just the beginning. Each ISO partner is assigned a dedicated account manager to assist in processing and funding deals, ensuring a seamless experience. Additionally, we keep our partners informed and up-to-date with monthly emails highlighting the latest deal bonuses and relevant updates. By choosing VCG, you gain a partner committed to your growth and success, equipped with the tools and support you need to thrive in a competitive market.

SUBMISSIONS & FUNDING

STEP 1

Application and 3 months of recent bank statements are sent to our submissions email.

► Required Docs for Submission

- Completed VCG Application
- 3 Months of Recent Bank Statements

STEP 2

Our Auto-Processing Engine categorizes your deal and sends all relevant data to our CRM for pricing. Deals \$100,000+ may require additional financials.

STEP 3

A VCG Pricing Analyst then approves deal with an initial offer or declines deal for not meeting our funding guidelines. The reason for decline will be included in the reply email.

STEP 4

Approved deal is reviewed further with a head underwriter. Then the offer is sent to the ISO with VCG's Custom Offer Calculator.

MERCHANT PAYMENT OPTIONS

DAILY

A standard fixed-payment every business day until pay-off amount is reconciled.

WEEKLY

1 fixed-payment per week on a chosen business day until pay-off amount is reconciled.
Deal performance may effect option availability with potential to downgrade to a daily.

VCG CUSTOM WEEKLY

Variable payments made each business day to equal weekly remittance. Payment schedule must be approved.

**For Example if Weekly Remittance is \$2,000, Payment Schedule can be
Monday: \$200 , Tuesday: \$100 , Wednesday: \$400, Thursday: \$100, Friday: \$1,200**

COMMISSION

Sales commissions are paid on the same-day as funds are disbursed to the merchant. A standard 30-day clawback period is applied to those commissions based on merchant re-payment performance.

COMMISSION CAPS

Commissions are **ALWAYS CAPPED** up to 15% of the funding amount including applied bonuses to the deal.

APPLIED BONUSES

Typically our marketing department will provide percentage bonuses on deal amounts such as +1%, +2%, etc. These are also limited to the 15% commission cap and standard clawback policy.

SYNDICATION

**ALL ISOs ARE ELIGIBLE
TO SYNDICATE ON THEIR DEALS
TO SIGN UP REACH OUT TO YOUR ISO REP**

RENEWALS

AVAILABLE AT 50%

Once a merchant has paid off 50% of their existing payoff amount, they're eligible for renewal. ISOs are eligible for commission on renewals.

MERCHANT DEFAULT

ACTS OF DEFAULT

VCG's acts of default are the following: Stopping payments without notice, using a debt agency to service your advance, and any other breach of the Revenue Purchase Agreement.

LEGAL RE COURSE

By triggering an act of default, VCG's Collections and Legal Departments will take all possible legal action to ensure the payoff amount is reconciled. Eligibility for financing will be severely impacted with Velocity Capital Group and other companies in the industry.

TECHNOLOGY

We employ the latest technology to expedite deal processing for our underwriters in record time. Allowing our ISOs and Merchants to receive approvals in a fraction of the time it takes other funders.

AUTOMATED PROCESS

We expedite our deal submissions for our underwriters, ensuring that each application is reviewed with unmatched speed and accuracy. Our processing engine streamlines every step of the funding process, from initial submission to final approval, drastically reducing the time it takes for ISOs and merchants to receive approvals and funding.
